

MY FAMILY

MY FAMILY

In this chapter we learn

- Family
- Types of family
- Members of family
- Responsibilities of family members

Family

1. Family is a group of people living together.
2. Family is an important unit of society.
3. Family is the first school where a child learn so many things.
4. Father and mother live with their children in a family.
5. Father and mother are the parents.

Types of family

► There are mainly three types families:-

1. Small family

2. Big family

Small family

Now look at this picture:-

- This is small family.
- There four members in this family.
- They are father, mother, son and daughter.
- They live together in a house.
- A family with parents and one or two children is called small family.

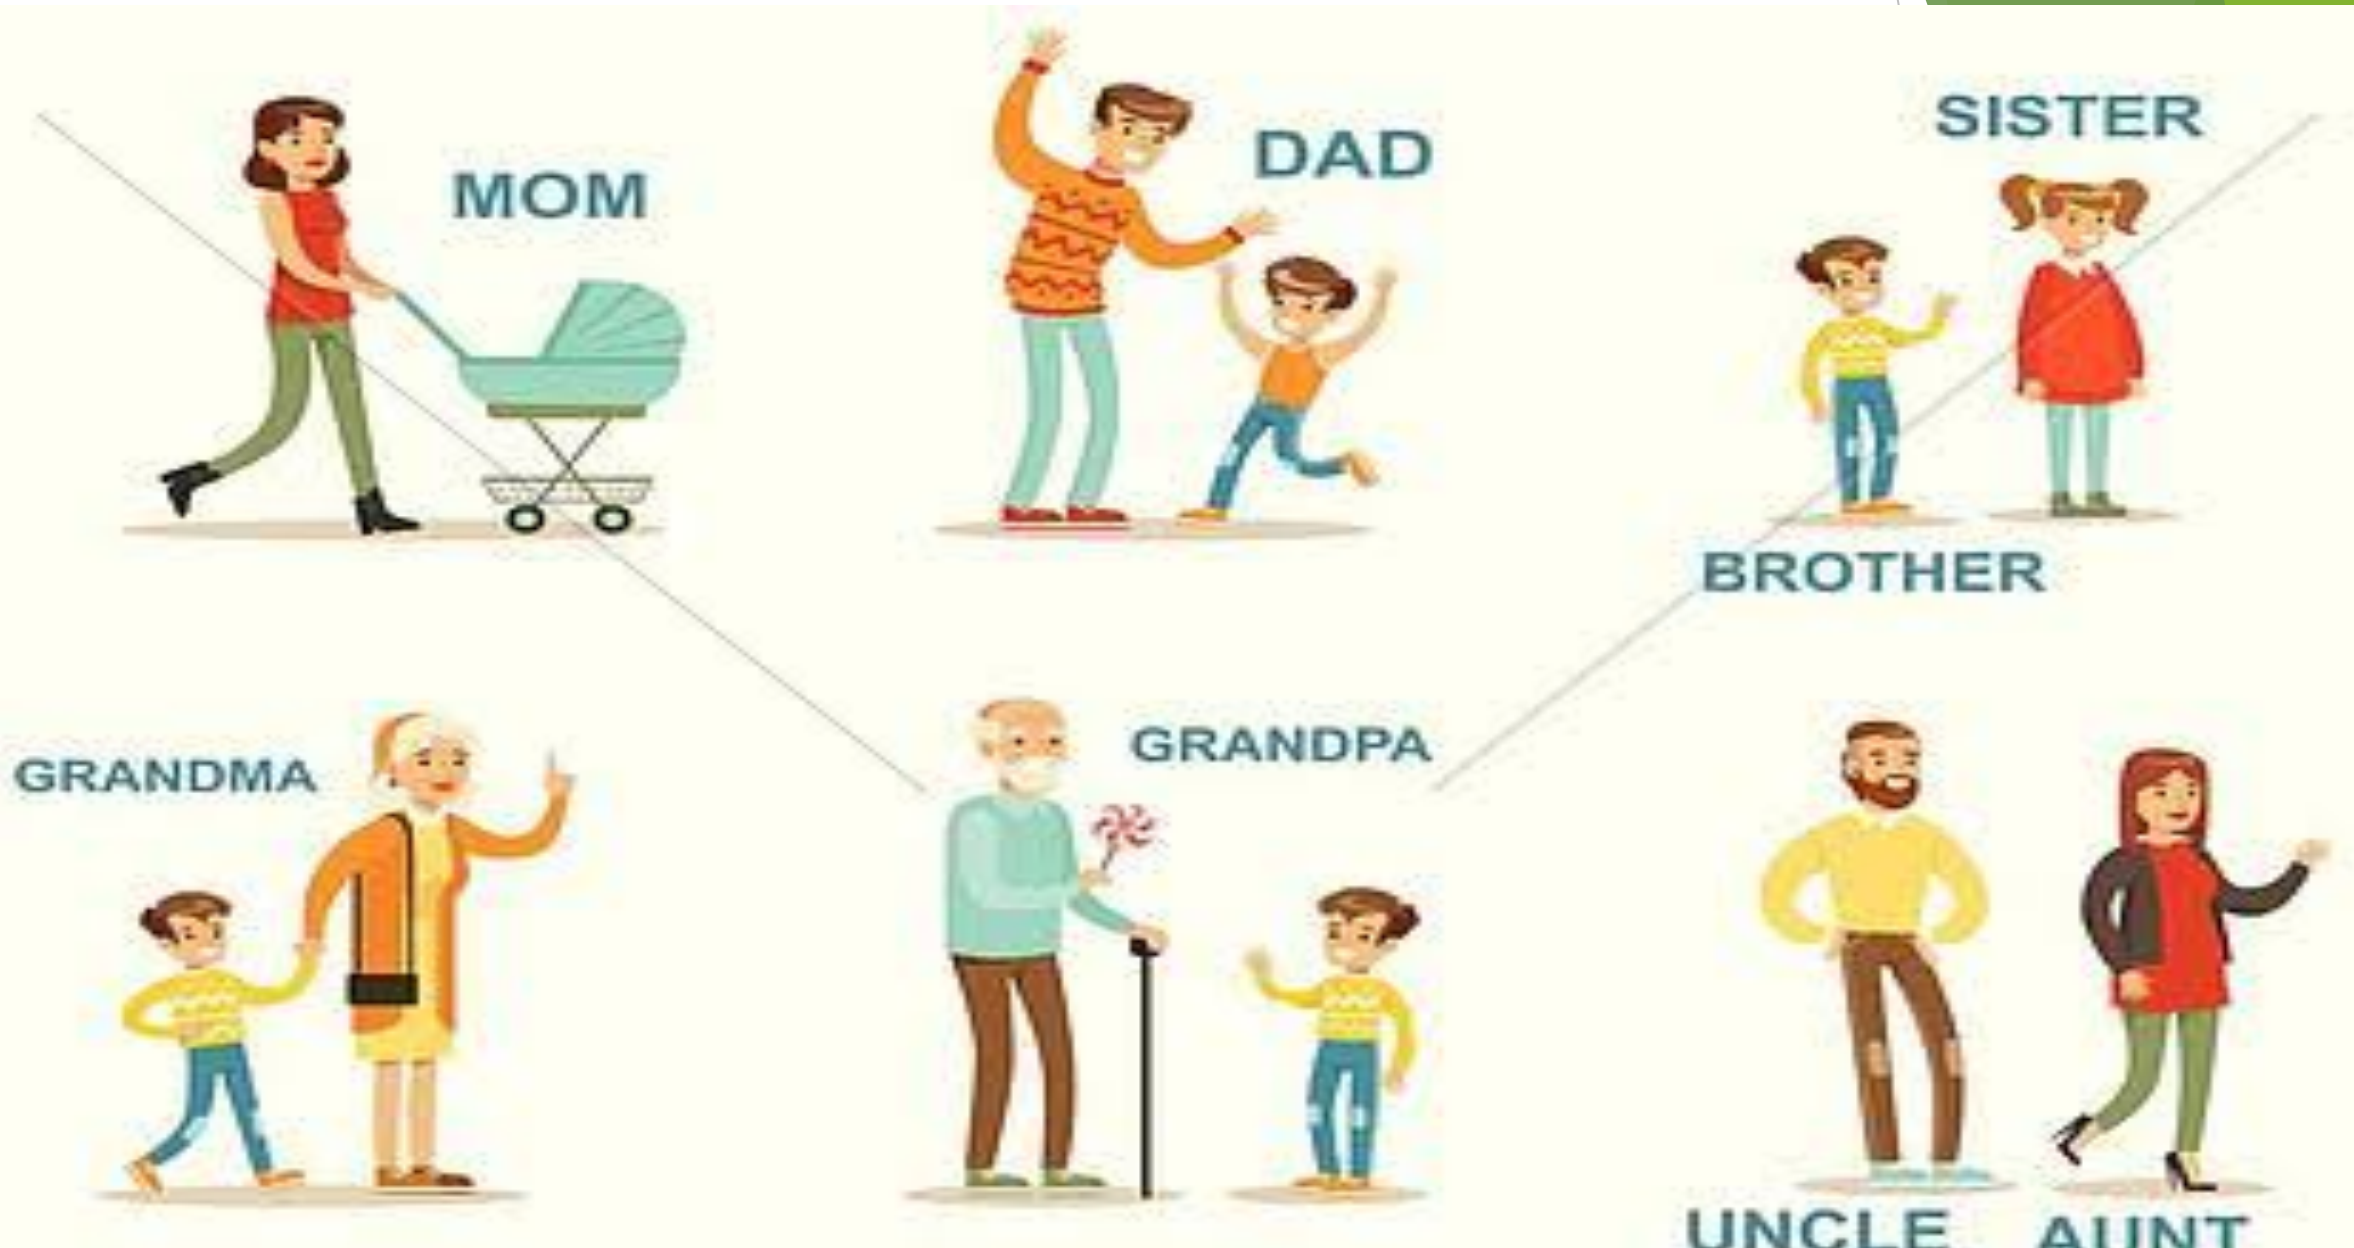

Big Family

ig Family

- ▶ A family with parents, grand parents, uncles, aunts and cousins is called a big family or joint family.
- ▶ All the members live together in the same family.
- ▶ All the members love and help one another.
- ▶ Parents take care of their children.
- ▶ They teach them good manners.
- ▶ Father earns money and mother does household work.
- ▶ Parents help their children in their study.
- ▶ Children also help parents in the house.

Members of a family

Members of a family
