COUNTING BY TENS .

Chickens and the Clever Fox

Tikloo farmer has many chickens in her farm. One day a clever fox saw these naughty chickens playing around.

From that day, she started
stealing and eating
chickens every day.

Fikloo came to know
about it.

She asked the fox.

Tikloo thought of counting her chickens every morning and evening. But the chickens kept moving around here and there. She said — I will put 10 chickens in one basket and count them. And if I find any of them missing I will give the fox a tight slap.
