

Make as given in the example

• $27 = 20 + 7$

• $35 = \text{---} + \text{----}$

• $46 = \text{---} + \text{----}$

• $19 = \text{---} + \text{----}$

• $52 = \text{---} + \text{----}$

• $42 = \text{---} + \text{----}$

• $18 = \text{----} + \text{----}$

• $25 = \text{----} + \text{----}$

• $38 = \text{----} + \text{----}$

• $46 = \text{----} + \text{----}$

How many tens and ones:

- 25 = 2 tens + 5 ones
- 36 = ---- tens + ---- ones
- 27 = ----- tens + -----ones
- 38 = ---- tens + -----ones
- 44 = ---- tens + ----ones
- 19 = ---- ten + -----ones
- 50 = ----tens + ----ones
- 75 = ----tens + ----ones
- 56 = ----tens + ----ones
- 85 = ----tens + ----ones
